Please REMEMBER to bundle your children up!!

The winter clothing needed for DAYCARE are the following items:

SNOW PANTS / SNOW JACKET / MITTENS or GLOVES (warm insulated ones) / HAT.

We will be taking the children OUTDOORS when the weather permit. Anything below -10°C we do not go out that goes for wind chill temperature.

We would like to welcome Adi (Adam), & Ario to Butterfly room & Senay in the Lady Bug Room.

All the children have been excited going outside and playing in the snow! Babies / Jr. Toddlers have been using the back sundeck to enjoy the snow. The toddlers are venturing into the side yards and attempting to make snowman's! They are wonderful just as they are. The ladies have also been bringing in snow in the water table for the children to explore with toys and even how it melts! How did that water get there? Hmmmmm

They have great faces when they realize the snow is gone!!!

We celebrate the Chinese New Year with the children & they had a nice chicken chow mein mix with fresh vegetable & they had beautiful Arts & crafts about the Chinese New Year.
