Parents PLEASE bring in a HAT that your child can have at the Centre. It is very important that they wear one as to NOT get Heat Stroke. We do not go outside when it is extremely hot but they still need to be wearing a hat for when we are doing our walks!!!

The children love the Bouncer and pools/sprinklers/water play. Please bring in Swim Wear & Towel, so we can play more in the water.

CLOSED Monday Aug. 1st 2022 for Civic Holiday.

CENTRE : The rooms will all be focused on doing summer things: Summer Safety, Swimming Safety, Holiday fun, water play and soooo much more. The children's art work and crafts will centre around outside and what we can do in the summer. So look for wonderful chalk art on the sidewalks and fence. Even painting on the sidewalks. This type of artwork you don't have to worry about taking home!! Reminder: Please take home any artwork & crafts that are in your child's art holder. The children will also be checking out Zoo Animals, Weather, Colours, Foods, Camping, Big n Small and a lot more.
