

JANUARY 2023

Office News: Happy New Year Everyone!!! Well once again its been an interesting year. This year is starting out no different!

THERE has been no changes to PARENT'S PORTION for 2023. The government is supposed to take care of FEE INCREASE. Please keep in mind that subsidy applications are taking longer than usual.

Catepillar News: Welcome Daniella who is joining us this month. We are going to have some fun! This month we will learn about winter animals, Shaps and Vegetables. As weather permit, we will be spending lots of time outside.

Butterfly News: We are learning about the New Year, Under the Sea, Bears and All about Me! We will be spending as much time outside as possible! Playing in the side yards and going for walks. Make sure you check out our Arts & Crafts! We will be making cool arts and crafts. Learning new songs, stories and having fun with all of it. Checking out what everybody is learning and playing. Sun room and the gym will be used when the weather is not cooperating for us!!

Ladybug News: We had to say Bye to Brock who is leaving us to with his sister. Eva is coming over from Butterfly room and will have lots of fun with new friends. We will be creating colourful crafts and neat art work, check for the wonderous creations on the walls and in the hall. Singing songs, reading stories finger puppets and our imagination will take us through the month. Playing outside when the weather is -10 or warmer otherwise we will be using the sunroom and the gym to get some exercise!

Bunny News: Oh yea oh yea we are going to rock January! We are going to restart SHOW & TELL Activity which during pandamich was stop for safety reason. Learning skills we use and do not know we use! Math, science and sight recognition. Learning new songs and different stories, exercising to music and having fun while playing. Going outside when the weather is nice and we can wander our neighborhood looking for hiding animals the same colour as the snow! Cool crfts and art work will be posted in the room take a gander and see if you know whose is whose!

Dinosaur News: Ohhh new year around neighborhood looking the decorations between lots of snow, outside playing and make snow man. We will talk about wild animals where bears live, what they eat and where they sleep and how long they sleep. Learning about numbers, singing numbers with diferent rhythms and practice writing numbers. Learning about fruit, where they grow, and in what conditions. Science, math, geography and our imaginations we will be learning about the world.

NOTE: The children will be going outside to play and for walks when the weather is nice. -10 and warmer the children will go outside. This also depends on the wind chill factor. The children will get exercise in doors when our weather is not cooperating. PLEASE make sure yoour child has the appropriate clothing for being outside. It is very important that their winter clothing fits properly. Hats, mitts or gloves, boots, snow pants, and winter jacket! (Clothing that is too small or ill fitting will not keep your child warm.)
