

# December 2023

**Office News:** Its the most wonderful time the year and we are having our annual kids Christmas Party on Thursday December 14th from 2-4pm. Santa will be joining us for a short photo shoot and the party will continue with snacks, songs and dances.

November was a hard month with all the flue going around and we want to thank all of our parents for helping us get through this difficult times. Unfortunately this has been a nation wide issue.

**Caterpillar room:** This month we are excited to attend our very first Christmas party and will be talking/learning about Santa, Holidays and Christmas this month.

**Butterfly room:** We are sad to see Yasmin leaving us and wish her all the best. This month we are going to be focusing on all we can learn about Christmas.

**Ladybug room:** in December Yasmin is joining us. Her big smile and eagerness to learn is going to make ladybug room even more amazing. First week of December we are going to focus on Christmas decor and craft. Second week we will be writing a letter to Santa and listen to some Christmas stories and last week is going to be all about the new year decor.

**Bunny room:** First day of winter is in December so this month we are going to learn a lot of stuff about winter, animals in the winter, Christmas, and New Year.

**Dinosaur room:** We are going to learn about winter, Christmas and New Year and write a letter to Santa. Few science experiments are going to be the rest of our activities in December for us.
