

May 2025

Dear Parents,

As the sunshine returns and the days get longer, May is a wonderful time for children to explore, learn, and grow. This month brings fresh air, outdoor adventures, and a wide variety of engaging themes across all our classrooms.

Office News - What's Happening in Calgary for Kids 2-5?

Here are some fun community events for families to check out this month:

- 🎨 **Kidchella Calgary - May 18**
A vibrant, family-friendly festival filled with music, arts, crafts, and entertainment designed for young children and their parents.
- 🏁 **Servus Calgary Marathon - Kids Races (May 24-25)**
An exciting way for children to participate in movement and fitness through fun kids' races.
- 📖 **Calgary Public Library - Early Learning Centres (All Month)**
12 branches across the city offer interactive play spaces for young children, including climbing areas, story stations, and creative tables.
- 🎪 **Royal Canadian International Circus - Opens May 23**
A classic, family-friendly circus experience full of thrilling acts and colourful performances.
- 🌸 **Heritage Park Artisans' Fair - May 24-25**
Celebrate spring at Heritage Park with handmade crafts, quilt displays, and family activities in a beautiful outdoor setting.

Caterpillar Room (12-18 months)

- **Flowers & Colours:** Exploring bright spring colours through painting and sensory bins.
- **Mother's Day Crafts:** Creating simple gifts to celebrate the amazing moms in our lives.
- **Outdoor Play:** Enjoying warmer days with stroller walks and fresh-air activities.
- We welcome **Ollie** to our room this month—can't wait to watch you grow and thrive!

Butterfly Room (18-24 months)

- **Bugs & Crawly Critters:** Discovering ladybugs, ants, and butterflies through stories and art.
- **Water Play:** Introducing gentle sensory experiences with water tubs.

- **Spring Nature Walks:** Collecting leaves, twigs, and flowers for sorting and exploring.

Ladybug Room (2-3 years)

- **Cinco De Mayo:** We will be talking about Mexico and Cinco Demayo.
- **Garden Centre Dramatic Play:** Pretending to plant, water, and sell flowers.
- **Mother's Day Gifts:** Handprint art and homemade cards to celebrate moms.
- We are sad to say goodbye to Nina. See you around friend!

Bunny Room (3-4 years)

- **Insects & Life Cycles:** Learning about butterflies, bees, and bugs through stories and diagrams.
- **Weather Watchers:** Talking about sunshine, rain, and clouds with fun charts.
- **Mother's day:** We are going to talk about our amazing moms and make them something special.

Dinosaur Room (4+ years)

- **Our Solar System:** Exploring planets, stars, and astronauts.
- **Healthy Habits:** Learning about healthy eating, exercise, and mindfulness.
- **Mothers day:** We are going to make something special for our moms and thank them for all they do for us.
