

June 2026

Dear Families,

We hope everyone is enjoying the warmer weather and the arrival of summer! June is always an exciting month at the centre as we spend more time outdoors, explore nature, and enjoy many seasonal activities with the children. We would like to thank all of our families for your continued support, kindness, and cooperation throughout the year.

As the days become sunnier and warmer, please remember to send your child with weather-appropriate clothing, a hat, sunscreen already applied before arrival, and a labeled water bottle each day. We will continue to enjoy outdoor play daily and take advantage of the beautiful summer weather whenever possible.
